Logan County Art League Art on the Beach

The Logan County Art League is making a call for fine artists and fine craftspeople to participate in a two day fine arts festival. The 10th annual art festival will be held on August 5-6, 2017, at Oldfield Beach, Lakeview, Ohio. The well advertised exhibit will be an opportunity for artists to show and sell their work to a large audience in a lake-front setting. The location can be reached by both car and boat. This year's Art on the Beach is being held in conjunction with WKEN - Shine FM 88.5 Saturday evening concert and will draw thousands of visitors. Entertainment during the daily art shows and food vendors will be provided by our event partner, Shine FM.

For an additional charge, a limited number of 10X10 spaces will be available in a community tent for those vendors who do not want to set up their own tent. Coffee, Water, and Snacks will be available to the vendors free of charge through out the show.

If you are interested in being a part of this growing arts festival, located at Indian Lake, please fill out the accompanying application. This is a juried show.
