

NITA LELAND

Fairborn Color Clinic Workshop OCT 2-4, 2018

Nita Leland will present “Color Clinic” at the Fairborn Art Center on Oct 2, 3, and 4, 2018. Nita helps watercolor artists understand all about paint and how colors work in mixtures, how to create vibrant color expression using triads to enhance your artwork, and how to use the seven contrasts of color to improve your artwork. You will learn about paint characteristics, organizing your palette and more. There will be mini-demos and class critiques throughout the day with lots of painting and individual attention. Finished artwork will also be critiqued in class upon request.

Nita is the author of the recently released bestseller *Exploring Color Workshop: 30th Anniversary Edition*, *Confident Color*, *The New Creative Artist* (a new paperback edition coming in December), and *New Creative Collage Techniques*, as well as featured artist in four art-instruction DVDs published by North Light Books/artistsnetwork.com.

Nita began her art career in watercolor and has been teaching classes and workshops in color, collage, and creativity throughout the U.S. and Canada for more than forty years. She currently teaches at the Enrichment Center in Dayton, Ohio. Visit Nita’s Web site at www.nitaleland.com and blog at nitaleland.blogspot.com.
